SJYS Referral Policy

SJYS has a ***New Member Referral Award Program***. This program is intended to motivate and reward those students who reach out to other students and introduce them to the San Jose Youth Symphony, resulting in their joining our organization. For the past 15 years, referrals have helped increase SJYS membership.

The program works as follows.

1. Any SJYS member will receive a **\$50 “Referral Award” credit towards tuition** if he/she refers one of the following instruments:

- violin
- cello
- flute, or
- clarinet

2. Any SJYS member will receive a **\$125 “Referral Award” credit towards tuition** if he/she refers one of the following instruments:

- trumpet
- French horn
- trombone
- tuba
- oboe
- bassoon
- percussion
- viola, or
- double bass

To receive the Referral Award, the new student (1) must pass the regular audition; **and** (2) must join one of SJYS’s orchestras or ensembles. The SJYS office will notify the student who brings in a new member and will credit the \$50/\$125 Referral Award against his/her tuition fee, *once it confirms that the new student has joined SJYS, and all the necessary paperwork has been processed accordingly.*

For senior members of the Philharmonic Orchestra who are graduating, the Referral Award will be paid directly to the student in the form of a check. Please remember to inform the office as soon as you have initiated a referral and *be sure that the student you refer mentions the SJYS member’s name on his/her audition application.*

We would love to see your friends and relatives join us! Thank you very much for your support.
